

The Annual Meeting of the Milton Cemetery Association was held on April 5, 2022 at the Milton Town Hall at 7P.M. Those in attendance were Desirae Sagdalen, Laura Compton, John Compton, Sandy Gochnauer, Dan French, Brian Carstensen, Darren Durst, Luke Elias, and Muriel French.

The 2021 financial report was given by Muriel French.

Under old business was the progress of the new entrance sign. It will be in place by Memorial Day. It has been made by Curt Harris.

Under new business, a motion was made and seconded to nominate Luke Elias, Darren Durst and Brian Carstensen as Trustees. They accepted and the motion passed. The lawn mowing for 2022 will be taken care of by the Elias Family. Several maintenance items were brought up: resetting of stones, cleaning stones, cleaning up the fence on the west edge of the cemetery. Burning the brush pile from clearing away the brush on the east edge of the cemetery, and grass seeding will be done, when the weather permits. It was suggested we look into a decorative fence for the south side of the cemetery, leveling and other ground work would have to be done first. In the fall, clearing of the brush on the north side of the cemetery will be started. Several people in attendance asked about volunteering to help where they could. A sheet was passed around for names and e-mails, so they could be notified of opportunities to be of help. Desirae expressed interest in the Sec/Treas position. She and Muriel will get together to go over the materials that would pass on to her.

Secretary, Muriel French
